### VILLA DETAILS

SUNSET VILLA is built for functionality and comfort. The villa features high ceilings with glass panels allowing you to enjoy the breathtaking panoramic views of the Ang Thong Islands and scenic sunsets on the west side of Koh Samui. The property is designed to either transform into a holiday home or a vacation rental property with enough storage for personal items so that the property can generate passive income while you are away.

Wake up every day to amazing sea views and end your days in the infinity pool while gazing at the sun as the sky dances with twilight colors of dawn welcoming the evening. Stars then fill the skies for the remainder of the evening.
