This Magnificent villa Koh Samui – Welcome to the luxury and beauty of Quartz House! Set along a secluded elevation on the South Western tip of Koh Samui, this spectacular property claims breathtaking vantages over Taling Ngam, Lipa Noi, and Five Island. Amid the unspoiled tropical landscapes, this 5 bedroom contemporary house boasts not only impeccable views and a highly sought level of privacy, but the finest in accommodations and design.

Bright, sophisticated interiors lend Quartz House a feel of modern luxury, with angles that take advantage of generous proportions and windows that seem to make these spaces even more abundant. The plethora of living and dining spaces are met with full kitchens on each floor for ultimate convenience and pleasure. Each of the five bedrooms features its own dedicated en-suite bath, panoramic sea views, and adjoining private terraces, in addition to extra sleeping provisions for children that include bunk beds and sofas. These oversized covered terraces connect to each room of the house, easing into a seamless indoor/outdoor lifestyle.

Take a dip in the 360-degree infinity edge pool with adjoining kids pool or delight in the soothing bubbles of the Jacuzzi while you soak in the wonders of each vivid sunset. Among the expansive terraces and gardens, the daytime sea view dominates the senses, while the colors of the approaching evening set the property ablaze with the colors of the warm, setting sun.
